FLEXIBLE LAYOUT WITH REFRESHING COLORS

We spend 1/3 of our time at work, colors, decoration, layout of the office environment affects our working performance. Verdure so concentration and comfort is as important as high efficiency. Verdure four-position workstation has delighting colors and is flexible to be formed into a variety of combinations for customized needs.

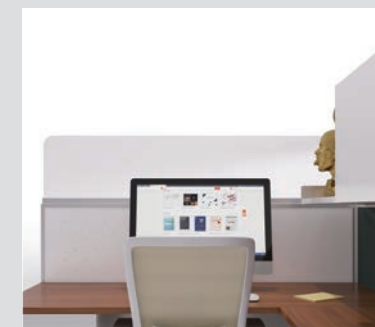

SCREEN-MOUNTED STORAGE BOX

There is always some small tools that is occasionally needed but you cannot find due to careless storage. Verdure updates the hanger groove to 5.3mm in width to adapt to abundant screen mounted storage boxes. All the small tools can find themselves a proper home.

TOP GLASS SCREEN FOR BETTER VISION

Verdure screens include a top glass screen that can be mounted on the aluminum alloy frame screen, so that staff can have a clear vision. The mounting groove adopts 2.5mm sealing band which prevents dust accumulation. You may place some potted plants on the flower shelves to add more vitality to the office and rest your eyes with more green.

THE UPPER PART OF THE PARTITION PANEL IS MADE OF ACRYLIC, HAZY AND BEAUTIFUL.

M WORKSTATIONS

Inspiration suddenly broke out and it was urgent to discuss and share with partners. The Verdure M-shaped workstation can accommodate 2 people at the same time for anytime communication. After discussion, you can turn back to focus on your own in one second. The fixed cabinet with drawers is perfect to store small office items.

POWERFUL WARDROBE

Come into the office in the morning, you may check your makeup in the mirror, hang your clothes in the wardrobe, put your bag on the storage board, and start the day. There is a venting hole in the wardrobe to keep the airflow unobstructed. Both side of the wardrobe can be equipped with a hole plate and a multi-function pendant for organizing small items.

SPACE THAT ENHANCES STAFF WELLBEING

For the enterprise, sparing no effort to create wellness in working environment for employees not only enhances the work efficiency of employees, but also gives employees a sense of belonging. H-shaped workstation effectively broadens the working area for fluent processing. It makes you happy every Monday and fall in love with your work.

SCREEN-MOUNTED DRAWER CABINET

An open office environment can promote collaboration among team members and endow the entire workspace a sense of synergy. Proper space division gives private space to individuals and causes no block to communication. Fixed cabinets with drawers has three separations for storage for different sizes of items. A baffle is mounted on the edge to prevent the document from falling.

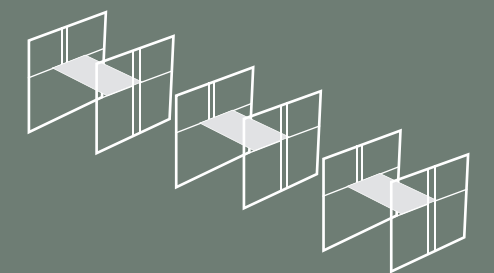

COMMUNICATION WORKSTATION LIKE A SALON

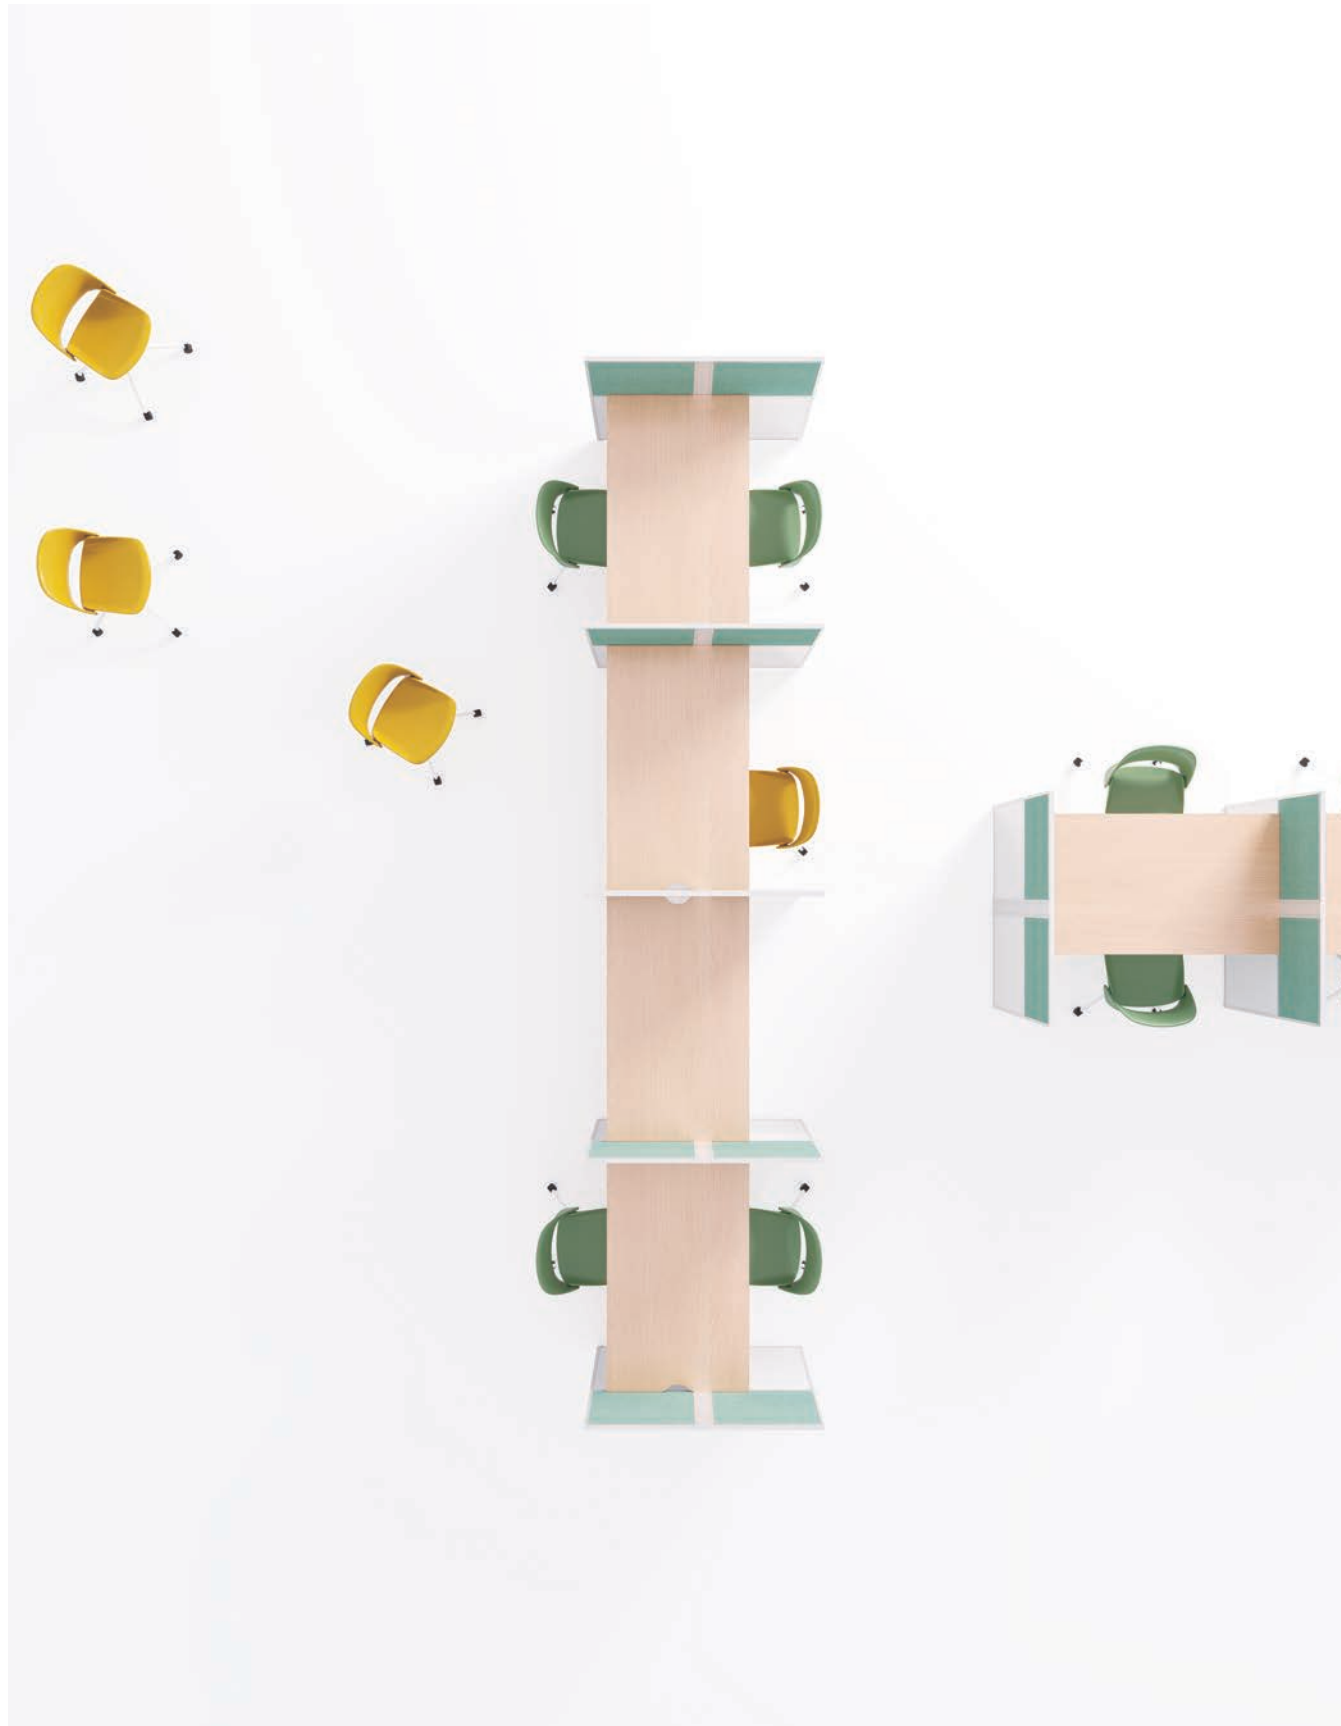

MULTITASK WORKSTATION

How many imaginative ideas come from leisure chat? Verdure negotiation workstation, surrounded by fabric screens and equipped with flexible supporting facilities, provides a negotiation salon for igniting creative enthusiasm at any time. The 725mm height ensures privacy. Different screens are interlaced to form a well-organized workshop, suitable for communication-based workstations such as negotiation, banks and mobile offices.

FACE TO FACE, WE ARE CLOSER

Communication should happen any time. Negotiation-based workstations, designed for project-based discussions. Team members are able to share information, emotions and work methods in a timely manner, and support each other. Thus, cooperation becomes efficient and tacit.

CONSIDERATION WORKSTATION FOR MANAGERS

EXECUTIVE WORKSTATION FOR FOCUS WORK

Team managers should focus on work and pay attention to working and psychological statuses of the team members. Therefore, their need to be close to each other. Verdure independent workstations are a more comprehensive work system, creating an independent yet open workspace.

A STOOL? A FILE CABINET?

It has a storage capacity of 20 books, and can also be transformed into a stool by adding a cushion on it. You don't need to squat when taking documents or changing shoes. The file cabinet is available in a variety of colors and sizes, allowing you to customize your space.
